 Notified body/ies: **Not applicable**
7. Declared performance/s: **See table below**
8. Appropriate Technical Documentation and/or Specific Technical Documentation: **Not applicable**

| Essential characteristics                          | Performance                   | Harmonised standard |
|----------------------------------------------------|-------------------------------|---------------------|
| Reaction to fire -R2F                              | A2-s1, d0(B)                  | EN 520:2009         |
| Shear strength per fastener - $\uparrow\downarrow$ | NPD                           |                     |
| Water vapour resistance factor - $\mu$             | 10                            |                     |
| Thermal conductivity - $\lambda$                   | 0,25 W/(m·K)                  |                     |
| Flexural strength -F                               | Compliant                     |                     |
| Acoustic absorption - $\alpha$                     | See manufacturer's literature |                     |
| Impact Resistance - $\rightarrow I$                |                               |                     |
| Sound insulation -R                                |                               |                     |

The performance of the product identified above is in conformity with the set of declared performance/s. This declaration of performance is issued in accordance with Regulation (EU) No 305/2011, under the sole responsibility of the manufacturer identified above.
